

ORTHOPEDIC ASSOCIATES OF LANCASTER, LTD

Total Joint Reconstruction Surgeon Lancaster, Pennsylvania

Orthopedic Associates of Lancaster (OAL) is seeking a total joint reconstruction surgeon to support our growing practice and newly established, physician-driven Outpatient Joint Program.

Orthopedic Associates of Lancaster is a provider-based orthopedic practice consisting of 18 Orthopedic Surgeons, 2 Physiatrists, 1 Podiatrist, and 1 Sports Medicine Primary Care Physician, working alongside 16 Physician Assistants, 14 Physical Therapists, 5 Hand Therapists with over 380 employees all committed to providing excellent outcomes to our patients. We currently have 4 practice locations throughout central Pennsylvania and 2 physician-owned outpatient surgery centers. We are equipped with the following ancillaries: two 1.5 T MRI's, weight bearing CT, as well as upper and lower extremity CT, physical and occupational therapy, DME & orthotics, and digital X-Ray. OAL has a thriving orthopedic Urgent Care with direct access to specialized medical experts who can quickly diagnose and treat our patient's needs.

COVID-19 Vaccine Mandate:

Due to the CMS rule for healthcare employees, and specifically for employees of NPSC, OAL Realty, and some employees of OAL, OAL now has a COVID-19 vaccine mandate in place.
